

YOUR BENCH JUST GOT DEEPER

Revenue Cycle Solutions for the Eyecare Industry

Partners to Make Your Eyecare Practice More Efficient

RevCycle Partners provides revenue cycle management services for hundreds of eyecare practices across the United States. Our calling is to deepen your bench - to serve your practice with our team of revenue cycle management experts.

What We Do

- Scrub the authorized medical claims queued up in the PMS
- Submit claims to your clearinghouse
- Research, fix, and resubmit denied claims
- File appeals
- Submit secondary claims
- Process/post EOBs
- Apply necessary transfers to the patient bill (copay, deductible, co-insurance, etc.)
- Apply necessary write-offs
- Educate the office on repeat denial trends
- Identify claim errors due to CPT/DX, educate, correct, and refile as necessary
- Manage the vision claim once staff files the primary claim for all stand-alone vision plans

What You Do

- Generate/mail patient statements
- Answer patient questions
- Check patient benefits or eligibility
- Obtain authorizations or referrals for insurance plans
- Apply the CPT/DX codes to the medical invoice and authorize the medical claim
- File the primary claim for all true stand-alone vision plans
- Scan and upload paper EOBs that are sent to the office
- Collect patient payments

From claims submissions to posting payments to chasing denials to refiling appeals - we do it all.

Simple Fee Structure

Our fees are based on the amount we post to your account. We charge 7.5% of net receipts for medical claims and 4.25% of net receipts plus lab charges for vision. We do not apply the fee to any adjustments such as patient deductibles, co-insurance, write offs, etc.

See what it looks like to add us to your team, so you can focus on your patients.
