

WeCredential CUSTOM CREDENTIALING PROJECTS

Tailored solutions for your practice

You've got your credentialing game plan in order. You're running the plays. But every once in a while, you need your back-up quarterback to step in. Our Custom Credentialing Projects service supports you when credentialing is too much to handle on your own, so your practice isn't disrupted.

CUSTOM CREDENTIALING PROJECTS ARE:

- ✓ **Tailored:** We **design** individual projects to your needs.
- ✓ **Flexible:** We step in when you need us. It is **always on your terms**.
- ✓ **Transparent:** Our secure portal gives you easy access to all of your data, documentation and status. **At any moment** and at any time you know where your credentialing project stands.
- ✓ **Connected:** We **leverage** our established payer **relationships** to resolve your credentialing issues.

DEPENDING ON YOUR NEEDS, CHOOSE FROM:

- Credentialing a new associate doctor
- Credentialing a new payer for all your doctors
- Adding a new location
- Acquiring a practice
- Payer revalidation needs
- Demographic updates
- CAQH setup or maintenance
- NPI setup
