

WeCredential MAINTENANCE

A proactive approach to staying on top of your credentialing.

OUR MAINTENANCE SERVICE WILL GIVE YOU RELIEF FROM THE HEADACHE OF CREDENTIALING.

Credentialing is a low-grade headache. It's a distraction. Always in the background. Paperwork is scattered. Deadlines are missed. The details can be overwhelming.

Our credentialing team focuses exclusively on the ongoing demands of your credentialing. We cover all of the bases to ensure there are no disruptions to your practice.

WECREDENTIAL'S MAINTENANCE OFFERING IS:

Proactive

Our ongoing management of your credentialing ensures that there is no disruption in your practice. We create a continuity of expertise in your practice, so even if a staff person leaves, your credentialing is secure.

Secure

We utilize our secure data repository to store all of your data and documentation.

Diligent

We do the follow-up that you don't have time for. If you are denied, we appeal. If there are problems, we solve them. We focus on your credentialing. You and your staff focus on patient care.

Connected

We know who to contact to resolve issues. We search for answers and leverage our payer relationships to stay on top of your credentialing.

OUR MAINTENANCE SERVICES INCLUDE:

- Initial research of the status of each provider with each payer
- CAQH Management
- Payer revalidations as needed
- Provider Directory Updates
- Credentialing for one new commercial payer per year
- Notification on state and DEA license renewal deadlines
- Secure repository for all credentialing documents and data
- Quarterly update reports
- 10% Discount on custom credentialing projects (new doctors, location changes, and custom solutions)

\$95
PER MONTH
PER DOCTOR
