

# WeCredential MAINTENANCE

A proactive approach to staying on top of your credentialing.

## OUR MAINTENANCE SERVICE WILL GIVE YOU RELIEF FROM THE HEADACHE OF CREDENTIALING.

Credentialing is a low-grade headache. It's a distraction. Always in the background. Paperwork is scattered. Deadlines are missed. The details can be overwhelming.

Our credentialing team focuses exclusively on the ongoing demands of your credentialing. We cover all of the bases to ensure there are no disruptions to your practice.

## WECREDENTIAL'S MAINTENANCE OFFERING IS:

### Proactive

Our ongoing management of your credentialing ensures that there is no disruption in your practice. We create a continuity of expertise in your practice, so even if a staff person leaves, your credentialing is secure.

### Transparent

Our secure portal gives you easy access to all of your data, documentation, and credentialing status. Our portal provides seamless management of documentation and reporting.

### Diligent

We do the follow-up that you don't have time for. If you are denied, we appeal. If there are problems, we solve them. We focus on your credentialing. You and your staff focus on patient care.

### Connected

We know who to contact to resolve issues. We search for answers and leverage our payer relationships to stay on top of your credentialing.

## OUR MAINTENANCE SERVICES INCLUDE:

- CAQH Management
- Payer revalidations as needed
- Demographic updates as needed
- Credentialing for one new payer per year
- Notification on state and DEA license renewal deadlines
- Secure repository for all credentialing documents and data
- Secure provider portal for accessing data, viewing status, signing documentation, etc
- Quarterly update reports
- 10% Discount on custom credentialing projects (new doctors, location changes, and custom solutions)

\* Price supports up to 30 payers.
